OBJECTIVE STATEMENT

I am a junior attending the University of Florida working towards attaining a major in Media Production, Management, and Technology. I am an attentive and dedicated learner. I am self-motivated and independent; I am also receptive to instruction and feedback. Collaboration and leadership are values important to me. I have a strong interest in both the creative and logistical production of media.

EXPERIENCE

Media Experience and Social Selves Research Lab Assistant

September 2023 - Present

Collaborated with my research mentor and other researchers to investigate research questions, conduct experiments and projects, and synthesize the results.

- Conducted self-motivated research with check-ins from supervisor to monitor progress and offer constructive feedback
- Collaborated with research supervisor and team to build effective research strategies and frameworks for investigation

Resident Assistant at the University of Florida

July 2024 - Present

Supervised students living at the UF dormitories to ensure compliance with university housing policies and community standards. Reported bi-weekly to supervisor for check-ins and attended weekly staff meetings.

- Lead staff in discussions about event planning and logistics for accomplishing our objectives
- Conducted compliance checks with residents to ensure UF standards were being met
- Completed all independent work by given deadlines including preparation of dormitory halls and event planning

OTHER EXPERIENCE

- Assisted in UF Live News (WUFT) Production (Fall 2024)
- Assisted with filming, scripting, and editing UF's Knight Talks podcast (Spring 2025)
- Studied under industry professional in Special Topics: TV Production and Development Cycle

EDUCATION

University of Florida (August 2023 - Present)

Expected Graduation Date: December 2026

Cumulative GPA: 3.92

DISTINCTIONS AND PROFICIENCIES

- Recipient of the UF Emerging Scholars Program Scholarship (2027 Cohort)
- Presented research findings at the Florida Undergraduate Research Conference
- Proficient in Adobe Creative Cloud
- Proficient in Office Suite
